Headteacher's News

Hello everyone - we have some brilliant news to share about attendance, our overall figure has reduced to **22.3%** from **25.1%**. Thanks for your support with this! We have had more children in school the last couple of weeks which has meant more learning and less disruption for the children.

The weather has finally warmed up and we have been able to let the children onto the field at break times and lunchtimes. This has been great to see after such a long period of rain and cold temperatures.

Please make sure the children are in school and by 8:55am so that teachers can register the children quickly and start learning straight away -

Please arrive by Eight Fifty-Five!

Finally, this week we said Goodbye to Mrs Walsh after 28 years at St Mary's. We had a lovely Morning Prayer service to celebrate her retirement and we wish her many happy times going forward with her family and friends. Good luck Mrs Walsh!

Have a great weekend! Mr Glover

P.E Kits

P.E kits should be in school at all times. This should be a pair of navy blue shorts & a plain white t-shirt.

Branded sports gear is not allowed.

Attendance

Please let us know before **8:55** if your child is not going to be in school that day and this is an unplanned absence.

How will school support you with attendance?

- Office check voicemails and registers by 9:30am
- Phone call if no contact and unplanned absence
- Home visit from our Family Liaison Officer Mrs D Martin or Mrs J Walker to contact and support.

Please help us and let us help you - we really want to see everyone in school, everyday! Thank you
